Figma Understanding and First meeting Points

1. Figma contains approx 600 screens with approx 250 screens which are unique
2. The dev resource needed is 2 frontend and 1 backend dev for 4 months
3. Approx cost for resource is \$4000 per month
4. We havent seen voice ai demo which we can market
5. Are there any other product to be marketed
6. Lead Engine for hiring agencies we can market together[discuss revenue share]
7. Can he give twilio verified number for HVAC
8. Questions to be asked figma review:
 - 1.Certain unclarity btw medical hiring screen,
 2. Skill test why not pagination
 3. NavBar has certain confusion
 4. Hired Employee Medical DashBaord
 5. Mobile responsiveness
 6. Training module will it contain videos/Quizzes
 7. Are some automations to be triggered
9. Screens are not mobile responsive and some of the user journey is not available
